### **NOTES:**

Lunch: The tribal meeting is at a racetrack which appears to have eating places or we can do fast food in and out in south OKC. Think about your preference.

Hotel Check-in: If tribal meeting goes long, we may not have much opportunity to check in prior to the public meetings/hearing. Diane may take the vehicle during our tribal meeting and check herself in, then she will need to be at the Metro Campus by 415 pm. We will need to do final setup at Metro NLT 530 pm. 5 min travel between meeting places, 15 min to hotel.

Parking at 1445 Ross Av – I am parking, at Diane's recommendation, at the lot on the North side of Fountain Place. She is a patron and has left her car there overnight before. \$8/day.

Returning to Dallas on 10/26/12: I need to be back at the office by 11 am. I understand Bill has lunch commitment as well. We can discuss exact departure time but plan on approx 7 am.
